

SPANISH FOR ACADEMIC PURPOSES

¡HOLA!

PROGRAM AIMS:

The EAPE program has been specially designed for non-native Spanish speakers who need to learn the language or increase their Spanish language skills whether for academic or personal purposes. **We encourage students that have an interest and desire to take these classes to increase their language skills.**

COURSES:

All levels of the course are aimed at emphasizing communication, speaking and writing skills by using Spanish as the main language in grammar, writing and culture classes. For advanced and intermediate levels in particular, the study of Mexican literature is a great asset.
